## Ministry Philosophy

I am passionate about discipling others in the church and equipping others to do the same. I love equipping the people of the church through the preaching and teaching of the Scriptures and life on life relationships, so that they can in turn carry out the ministry that God gives to all believers of building up the body of Christ. My desire is to help lead in a church that seeks to love Christ, one another, the Scriptures, sound doctrine, and the world around them.

## Personal Summary

- I was born August 1<sup>st</sup>, 1988 in Wadsworth, Ohio. Both my wife and I were raised in the Southwest by parents who have served as missionaries to the Navajo and Zuni tribes.
- I came to put my faith in the salvation offered by Jesus Christ at a young age. Through him I have been reconciled to my Heavenly Father. I am very fortunate to have had parents who shared their faith with me and encouraged me to pursue living out that faith by seeking to do God's will in my life.
- I met my beautiful wife Heather in our church youth group when I was in middle school. It was not until I had finished college that we were able to reconnect and begin dating. We were married July 29<sup>th</sup>, 2013. I am so grateful that God has put her in my life to walk beside me as we seek His will together. Heather was born in Manila, Philippines where her parents served as missionaries for a time. She graduated with a degree in elementary education from Eastern New Mexico University. She has been working as an elementary school teacher for six years. We are the proud parents of August Timothy (born September 3<sup>rd</sup>, 2015) and Skye Hope (born October, 23<sup>rd</sup>, 2016).
- My personal interests include getting outdoors with my family to enjoy nature and hike, and reading historical theology.
- Strengths of my personality type include influencing and inspiring others, as well as helping others to feel accepted.
